

# SPONSORSHIP OPPORTUNITIES

## Unlocking Europe's Hidden Capital Markets

06 November 2019 | TownHall Europe, Square de Meeûs 5 | 1000 Brussels

The **European Capital Markets Institute (ECMI)** and the **Brevan Howard Centre for Financial Analysis** invite you to sponsor the 9<sup>th</sup> ECMI Annual Conference. ECMI Annual Conferences address topical issues in capital markets integration in Europe. With the new European Parliament and a new European Commission taking office a few weeks later, this should be an ideal time for setting priorities for Europe's capital markets.

Last year's forum focused on equity markets from an issuer and investor perspective. This year's edition will bring together policymakers, industry representatives and academics in order to exchange views on the outlook for financial and economic conditions, the functioning of sovereign and corporate debt securities markets as well as sustainability in the insurance sector.

This high-level event offers your organisation an ideal platform for increasing its visibility and multiple networking opportunities for its delegates. Receiving external financial support is an essential element in the success of the conference, and the organising team will ensure that your contribution is fully recognised.

For eight years running, the ECMI Annual Conference has brought together an excellent line-up of speakers to share their expertise with participants from across Europe and beyond. Please find below more information about ECMI's previous annual conferences, including the list of organisations that have supported the conferences to date.

We look forward to hearing from you.

With best regards,

**Karel Lannoo**  
Chief Executive, CEPS & ECMI

**Prof. Franklin Allen**  
Executive Director, Brevan Howard Centre
